Maple Syrup Season Getaway

Treat yourself to a truly authentic sugar shack experience during maple syrup season. Upon arrival, we will be warmly welcomed around an outdoor fire before enjoying a guided tour the traditional maple syrup production facility and bakery at Sucrerie de la Montagne. The experience continues indoors with a generous all-you-can-eat sugar shack feast, served family-style at the table and featuring classic regional dishes. Live traditional folk music enhances the atmosphere during the meal. Take part in an interactive activity and learn how to play the traditional wooden spoons alongside the musician. This group experience combines local flavor, entertainment, and warm hospitality for a memorable and immersive cultural outing. We will make a stop at St. Alberts Cheese enroute to Russell.
